David and Sam- here is the draft of today's evening report

Angela and company--= thanks for getting this to me in time for me to review it. I made a small correction to show the Brine Services and Falcon Refinery sites as scheduled for an inspection today. Until we get Nic Brescia's report I don't want to mislead . Nicely written

Oh.NPL table will change but I need to work with John on what to put into it.something for the morrow
